EXECUTIVE SUMMARY

BrightPath Digital monitored your contact, quote, and booking forms throughout March. Enquiry routes remained reliable overall. One quote-request path briefly failed inbox delivery after a plugin update — we identified the failure within hours, restored delivery, and documented the fix below. Your lead enquiry routes remain actively protected under your monthly retainer.

FIVE-HOP LEAD RECEIPT CHAIN

FORM MONITORING SUMMARY

FORM	CHAINSCORE	CHECKS RUN	INCIDENTS	STATUS
Contact form	5 / 5	288	0	Healthy
Quote request	2 / 5	288	Hop 3 inbox	Resolved
Booking form	5 / 5	288	0	Healthy

RESOLVED INCIDENT

14 Mar 2026 · Quote request form. Inbox delivery failed after a WordPress plugin update. BrightPath rolled back the SMTP change and confirmed successful delivery within 4 hours. No leads were lost after restoration.
